If you are a new or renewing food establishment you will submit the following documents:

- Photocopies of owner/ operator’s valid IDENTIFICATION CARD (State issued Driver’s License/Valid Federal or state pictured ID) and a valid Manager Food Safety Certificate
- Copy of your initial inspection conducted by the city health inspector (Duane Barritt @ 817-301-2547)
- (Mobile vendors only): A signed contract/ letter of agreement from the private property owner permitting the mobile unit to vend on their premises and use their facilities if stationary more than two hours. An authorization notice from a permitted food establishment to dispose of grey water and to clean and sanitize equipment.

The food service permit, food manager’s original certificate, and your certificate of occupancy is required to be posted in the establishment in plain view to the consumers. This requirement is authorized by §437.0076 of the Texas Health and Safety Code and 25 TAC §229.177(b) and the City of Stephenville Code of Ordinances. Any and all inspections conducted due to a formal complaint filed with the city of Stephenville and/or failure to renew your permitted in the allotted time period will be the responsibility of the owner to pay prior to receiving a new food service permit.

By signing, you are affirming the above information given is legal binding and accurate.
