Scope of Work	<p>Work may not start until a permit has been issued pursuant to approval of this application. Permits so issued shall not be construed as authority to alter or set aside any building code, plumbing code, electric code, mechanical code, zoning ordinance requirements, or any other applicable regulations, nor shall such issuance of a permit prevent the Building Official from thereafter requiring correction of error in plans or in construction, or violations of applicable codes and regulations. Permits shall become invalid if work is not commenced within six (6) months after issuance, or work authorized by such permit is suspended, or abandoned for a period of six (6) months after work has commenced. I hereby make application for a permit for work noted herein and as described by submitted plans and specifications. I agree to abide by all requirements of the City of Stephenville Code of Ordinances and any other applicable regulations.</p>
